What is an Access2day Health membership?

Access2day is an employer-sponsored clinic membership providing high-quality preventative and urgent care services. Eligible employees and their covered dependents on the employer's health plan enjoy convenient access to all Access2day Health clinic locations in Louisiana, Alabama, Mississippi, and Texas.

Do I need to enroll to be a member?

If your employer offers the Access2day Health benefit, you are automatically enrolled and have access to any Access2day clinic location. No further enrollment is necessary.

Can I go to Access2day for any health issue?

You can visit Access2day clinics for non-life threatening illnesses and injuries that are considered preventative and urgent care services, including basic labs and x-rays.

<This benefit is for employees and their covered dependents on Magnolia Local Plus, Magnolia Open Access, Magnolia Local, and Pelican HRA1000 health plans >
