Welcome Our Newest Client: St. John the Baptist Parish Public Schools

We're proud to welcome St. John the Baptist Parish Public Schools to the Access2day Health family. Since launching the program, employees have been excited to learn about this new healthcare benefit, and participation has been excellent. By providing convenient, \$0 cost access to quality healthcare, SJBPSB is helping make it easier for employees and their families to get the care they need close to home.

SJBPSB leadership and board members have also demonstrated an ongoing commitment to educating employees about the program and ensuring they understand how to take full advantage of this valuable benefit.

We're excited to partner with an organization that prioritizes the health and wellbeing of its employees and look forward to supporting their team in the years ahead.

Client Spotlight: Red River Bank Recognized as a Best Place to Work

As a longtime client and valued partner of Access2day Health since 2014, we are proud to recognize Red River Bank for being named one of the 2025 Best Banks to Work For.

This recognition highlights their commitment to creating a positive workplace culture and prioritizing employee wellbeing, something we are honored to support through our partnership. Congratulations to Red River Bank on this well-deserved achievement. We're proud to work alongside organizations that invest in the health and success of their employees.

What Our Members Are Saying

Access2day Health continues to make a meaningful difference in the lives of our members by providing simple, affordable access to care.

"I've used urgent care facilities many times before the Access2day program was started. I have respiratory/allergy issues, and getting into my Allergist can take months. This option in health is very beneficial."

—Fast Pace Health Urgent Care, DeRidder, LA

"I really appreciate this service for many reasons, such as cost, service, and convenience... This service is one of the best things to happen to so many."

—Citizens Rural Clinic, Slidell, LA

Members consistently highlight the convenience, quality of care, and peace of mind that come with knowing healthcare is always within reach.

Time to call 911

Managing blood pressure, cholesterol, and overall health can significantly reduce stroke risk. Regular checkups play an important role in prevention. Access2day Health clinics make it easy to stay on top of your health with convenient, no-cost annual exams and preventive care.

Expanding Access to Care Across Louisiana

Keith Miller (right) and **Kenny Beauvais** (left) were honored to be at the Louisiana State Capitol, sharing how \$0 cost clinic access is making a meaningful impact across the state.

The visit provided a valuable opportunity to connect with legislators, discuss the success of the program, and continue important conversations around expanding access to affordable, high-quality healthcare.

Through our partnership with the Office of Group Benefits, tens of thousands of state employees now have improved access to care, while helping deliver millions in savings annually.

We're proud to support a model that improves access to care while helping employers and government entities better manage healthcare costs.

Team Spotlight

When members call Access2day Health, they're connected to a team that truly cares.

Meet **Karen Taylor** (left) & **Karen Johnson** (right), two of the customer service team members who help guide members through their benefits and connect them with the care they need.

We're proud to have a team dedicated to personal, friendly service to help make healthcare simple for our members.
